Instructor's Manual for California's Bus Driver's Training Course California. Department of Education 1990

This instructor's manual was designed to help graduates of the California Bus Driver Instructor Course provide effective instruction to school bus driver trainees. It contains enough material for 20-30 hours of classroom training. The information is organized in 12 instructional units that cover the following topics: introduction to the course; driver's license and special certificate requirements; bus operation, use, laws,

and regulations; vehicle components; general defensive driving techniques; specialized defensive driving techniques; passenger loading and unloading; emergency procedures; passenger management; activity trips; the special needs passenger; and public and community relations. Each unit includes an outline of the lesson plans in it, notes to the instructor, content information, handouts, and pretests and unit test. A final unit of the guide provides additional information for the instructor on teaching the course, such as materials needed to conduct classes, classroom arrangement, lesson planning and teaching techniques, and tests and answer keys. [California Drivers Practice Guide](#) Kiran Ketty 2020-12-07 Before you are allowed to drive on California's roads and streets legally, you must obtain your driving license. To get this license, you must go through a series of tests, which include; 1. Vision test, which is to confirm you can see well enough to drive safely on the road. 2. Knowledge test, which is to certify you have all the necessary information a driver needs to know to drive safely. 3. Safe driving test, which is to test your ability behind the wheel to certify, you can demonstrate your driving skill and knowledge about traffic signals and other road signs. However, this book's concentration is on driving knowledge tests. The knowledge test comes in the form of questions and answers, and so. This book contains multiple-choice questions similar to the ones you will see during your DMV knowledge test. The questions in this book are in 5 sections, which include; Defensive driving test questions, Road signs, and signal test questions, General driving knowledge test 1, 2, and 3, respectively. These DMV questions and answers contain about 400 multiple-choice questions; the reason is to save you the energy of flipping through voluminous driving manual pages when you want to test your knowledge practically, which can be tiring. It will also enable you to get familiar with several DMV questions to guide you in passing your test. Correct answers are provided at the end of each question to help you make corrections where necessary. Most people fail driving knowledge tests at their first trial because they did not prepare well. It is important to note that before you use this book, you must have read and studied the driving manual of your local department of a motor vehicle to get the prior knowledge of driving, and then use this book to test your knowledge by answering the multiple questions contained herein and also get familiar with all the test problems you will encounter on that day. These DMV questions and answers will

surely help you to pass your driving knowledge test with ease.
