Milady's State Exam Review for Professional Estheticians Joel Gerson 1992-01-01 Designed as a refresher device in reviewing factual data presented in Milady's Standard Textbook for Professional Estheticians. It employs multiple-choice type questions, which have been widely adopted and approved by the majority of state licensing boards. The review book reflects advances in professional skin care techniques, artistic use of cosmetics, and opportunities in the field of esthetics. It attempts to keep pace with, and ensure a basic understanding of cosmetics and personal care products that have been developed by manufacturers for professional use. The book serves as an excellent guide for the student as well as for the experienced esthetician. It provides a reliable standard against which professionals can measure their knowledge, understanding and abilities. These reviews will help students

and professionals alike to gain a thorough understanding of the full scope of their work as they review practical performance skills and related theory. They will increase their ability to evaluate new products and procedures and to be better qualified professionals for dealing with the needs of their clients. 1992, ON RUN OUT

Esthetician's Guide to Client Safety and Wellness Judith Culp 2012-01-06

Accidents happen, even in the structured, pampering environment of a professionally-run salon or spa. How often have you asked yourself What would I do if...? What would you do if a client had a heart attack or suddenly stopped breathing? What should you do if your client is burned or breaks out in a strange rash during treatment? The Esthetician's Guide to Client Safety and Wellness is designed to offer practical, safety-based information and tips to decrease the possibility of infection, as well as accidents or injuries during treatment or service. An entire section is dedicated to cautions and contraindications relating to medications that can affect treatment choices, especially for clients dealing with health conditions. Considering the many inherent exposures not only to the client but to those actually working in the spa, clinic and salon environment the Estheticians Guide to Client Safety and Wellness is an essential tool and an invaluable resource for esthetic and cosmetology professionals.
